THE OPPORTUNITY

A premium festive stage for Doft Candles

Doft Candles is a premium home-fragrance brand. For the Diwali gifting season we take the brand into India's highest-footfall malls with a turnkey pop-up boutique kiosk, a warm and luminous salon that invites shoppers to sit, smell and gift.

Product range: scented candles · reed diffusers · room sprays · wax melts · premium gift hampers.

DESIGN CONCEPT

The DOFT boutique kiosk

A warm, luminous fragrance salon with a backlit brand wall, brass gallery shelving and a place to sit, smell and gift.

- **Backlit brand-seal wall**

The illuminated DOFT seal anchors the kiosk as a warm beacon across the mall court.

- **Brass gallery shelving**

Warm-lit floating shelves stage candles, diffusers and gift sets like a boutique.

- **Consultation seating**

A central table and chairs invite shoppers to sit, sample scents and choose gifts.

- **Digital brand screen**

A screen at the aisle plays the Doft film and draws footfall in.

Adding multiplex activation

Premium atrium space on a six-week rental is limited and highly contested. To secure reach across every target city we propose a parallel Doft activation inside the **PVR / INOX multiplexes located in the same malls**, a captive, premium, high-dwell audience already in a leisure and gifting mindset.
