SCENTED MEMORIES

## Diwali Pop-Up Retail Kiosk

Concept Design · Premium home-fragrance island

8 ft × 8 ft · 14 malls · ~6 weeks festive window

PRESENTED BY

**ProMarcom**

## THE OPPORTUNITY

# A premium festive stage for Doft Candles

Doft Candles is a premium home-fragrance brand. For the Diwali gifting season we take the brand into India's highest-footfall malls with a turnkey pop-up retail kiosk — a compact, luxurious island that sells and tells the Doft story.

**Product range:** scented candles · reed diffusers · room sprays · wax melts · premium gift hampers.

## DESIGN CONCEPT

# The DOFT Island

A premium open island that reads unmistakably Doft from every aisle — luxury build language wrapped in the brand's own green-and-gold identity.

- **Warm-backlit brand totem**

Illuminated DOFT seal rising above the counter — a beacon across the mall court.

- **White lacquer + brushed gold**

Fluted, backlit bases and gold-framed glass showcases for a jewellery-counter feel.

- **Emerald brand niches**

Backlit green display bays carry Doft's signature retail colour and warm product glow.

- **Designed to sell & store**

Lockable stock storage, cash safe and staff seating built in — clean front, working back.

DESIGN · ELEVATION A

# Left three-quarter

- White-lacquer body with brushed-gold reveals
- Warm-backlit fluted base panels
- Gold-framed glass showcases with candles
- DOFT wordmark on every customer face

DESIGN · ELEVATION B

## Right three-quarter

- Backlit emerald display niches
- Illuminated DOFT seal totem beacon
- Marble counter tops, brushed-gold trim
- Dried-floral styling — Doft's retail signature

DESIGN · INTERIOR

# Cross-section · 45° left

- Lockable under-counter stock storage
- Two bar stools for staff seating
- Emerald staff-zone floor
- Front stays clean & fully branded

DESIGN · INTERIOR

## Cross-section · 45° right

- Lockable storage both sides
- In-built cash safe
- Clear staff entry to the rear
- A working island, premium storefront

TOP LAYOUT · PLAN

8 ft × 8 ft island footprint
